DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

I walk by your side to guide the movement of your steps.

I remove the weight of sin from the heart of all of those who day by day are lacking My Father.

I relieve the essence of the creatures, I feed you with the Word of Life and I radiate to you My Love so that you may feel Me.

How to not wait for these Merciful Graces? The souls day by day forget all that we pour over their consciousness, for this some listen to My Words, others guard them in the heart but who will bring them into the spiritual practice of life?

As a Master I wait for your daily encounter with Me because I hope to reveal to you the mysteries guarded in My Heart and in the stars of the Universe. For this you must have your eyes open so that the wisdom of My Spirit may impregnate you and awaken you to the new.

I recognize that many love the Hierarchy but how much longer will you take to make the leap of return to the true inner origin which is the purity of your hearts?

Under the Love of God, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
