DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

Children:

I observed your trip to Salta, Argentina. In the great obedience many rules of the Hierarchy are learned because from the first moment in which you listen to the voice of the heart, new doors are opened for learning.

I lived with you all of the tests. In the difficulties that were presented I confirmed the love of My Friends. This is how I treat My True Friends as I also treated Teresa of Jesus. The persistence on the path approximates you to live in the humility of Our Lord.

Carry My Peace, only My Peace.

In the Love to the servers,

Christ Jesus.
