DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE DISTRICT OF MIRAFLORES, LIMA, PERU, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

On this day, I invite you to contemplate the Plan of God and its Purpose in every action of life, in every service, in the fulfillment of His Divine Will.

Today I invite you to love this Plan unconditionally and not to reject it, as does the majority of Humanity.

Dear children, in this way, by loving the Purpose above all, you will always be on the correct path and in the right direction, and you will never stop attending to the needs that present themselves in your life.

To love the Plan of God unconditionally so that it is fulfilled means to renounce, without understanding, and accepting with all the inner openness of your hearts.

Millions of souls seek, through different paths, to know their purpose in this life, and this leads them to get lost on paths foreign to their capabilities.

I would like you, My children, to understand that there are still consciousnesses that, having received the call in their lives, decided on their own to separate from the Divine Purpose of the Father.

I ask all of you, aware of the path of prayer that you are following in these times, to only seek to lovingly fulfill what is being asked of you, without any criticism or judgement.

The Higher Good is very great and you still do not know it because humanity is always submerged in the laws of matter.

So that your hearts may be consistent with the Plan of God, I invite you to adopt it and live it so that this experience may multiply in you the absolute confidence that everything that you are living is part of a wise and infinite Higher Will.

Today I leave you this instruction, dear children, because there is no more time to lose, only faith will suffice and by faith walk forward.

I thank you for responding to My call!

Who makes you aware of the Superior Life,

Your Mother Mary, Rose of Peace
