DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

AURORA, the new dawn…

May the lukewarm of heart move away, because Aurora returns to rise within those who believed in it from the beginning.

May the unrighteous who did not know how to recognize Aurora be redeemed, because the time will come when the Blue Aurora will shine in the firmament of this world.

Aurora is the ray that separates good from evil.

Aurora is the shield that repels the attacks of the darkness, but its fire can incinerate everything that it touches.

To surrender to Aurora is a goal. To unite to Aurora is a purpose.

That is why Aurora emanates its healing Source of light to reverse all inner evils. Happy will be those who let themselves be molded by its fire, because Aurora will make of each soul a precious triumph to God.

While you can, let yourselves be defeated by the powerful current of Aurora and your bonds with the world will be broken, your most resistant chains will be liberated, and you will receive a breath of the divine fire of Aurora.

Do not try to understand where its power comes from. Unite to the blazing flame of Aurora and you will forge of yourselves a true and unbreakable soldier of light.

Make way, recline your heads and revere the Kingdom of Aurora, because its maternal and feminine spirit will overcome all acute battles of these times.

Let no human being on the surface of Earth try to defeat Aurora, because they will be pushed by its incomprehensible magnetism of light; as some who were here before and were expelled far away from Aurora for arrogance or power.

Know it well, Aurora is the manifested Power of the Father.

Aurora is the concrete Will that transmutes all forms. It will be of no use to oppose it, because you will lose essence and energy.

Aurora has the gift of resurrecting the dead in life.

Aurora has the virtue of awakening those who are most separated from the Love of God and from Truth.

But Aurora does not hold back the hard-hearted and the greedy minded, since Aurora does not communicate with any power of human use.

Aurora is distant from the material, since its Laws are immaterial and are integral to its inner essence.

Aurora does not protect the false ones, nor does it stimulate the honor of the cold of heart.

Its fire is power. Its flame is redemption.

Aurora is an unknown Consciousness, but who loves it will end up knowing it and understanding it.

Aurora is the refuge of the humble and is the dwelling place of the wounded spirits.

Aurora is the star that renews consciousness, but it is also the banner of barefoot servants of God.

Aurora is the Divine Essence in the manifestation of God. It is the sacred healing current that impregnates and renews everything.

Aurora can be part of a being and a being can be part of Aurora; and thus, the inner communion with the Brotherhood is established.

Aurora dawns today and shows its great Mirror, the one that reflects to the souls the message of redemption and of love.

Aurora awakens from its deep dream and now, with all its infinite Consciousness.

Thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
