**WEEKLY MESSAGE, TRANSMITTED BY THE MOST HOLY VIRGIN MARY TO SISTER LUCÍA**

My children:

I begin this message with a request: that your hearts, on the 24th day of December make a special preparation for Christmas, a Christmas that will come to renew the hearts of My little children. I want you to pray with fervor the "Hail Mary" ordered by My Heart so that in all the spaces of the world this prayer will prepare the coming of My Son, which is already arriving in your hearts.

For the 25th day I want at the feet of this image (the statue in the House of Adoration) a Nativity that will represent the birth of Christ. And that you pray in vigil as you have done on the 21st day, continually starting at midnight on the 24th day of December.

In this Christmas My dear ones, the Lord will send to the interior of all of His creatures a seed that represents the New Life, where the New Christos, guided by My Son the Redeemer, will wake up and will live through the whole Universe, deepening into the Love that My Son irradiates to all spaces. This Christic seed that will arrive will have its cradle in the hearts of each one and wherever it finds a pure heart it will sprout.

My dear ones, today I bring the Good News of the renovation, because My Son Jesus proved on Earth that He renews all things and that He will come to renew your hearts and the suffering heart of this planet Earth. In order for My Heart to triumph your hearts must be open and ready to live what is coming. The Glory of the Lord will descend by means of My soldiers, those who are available to all: to pass through the world with its praying word of Peace, to distance evil through Love, to renovate itself in My Heart, battle after battle.

We are in the time of a great war and for this Christmas the Lord is offering you the most precious tool that will protect your essences and will reign in your hearts. This Christic Love that is being offered is the greatest sword, the most resistant shield, it is the greatest food and the most pure water that will keep standing those who say yes to It.

My Son observes the particles of Light that are already leaving His Heart and traverse a path of Mercy that arrives on the Earth and penetrates the hearts of all creatures. And when I say My dear ones, that all will receive this Grace, it will be so

Because the Mercy of the Lord is so great and infinite, to all of His creatures an opportunity will be given so that no essence will lose the possibility to arrive at the Source that He created and to walk on the path of return to the Heart of the Father.

But I must warn you My little ones, that the tests also will and the good seed will be present, but it will only germinate in the valiant hearts that offer to God its prayers and its most pure intention of living in these times the Peace that is offered by My Maternal Heart.

In this Christmas you will receive this last and primordial Grace, which you must take care of as the most precious treasure that you can reach every time that you are facing difficulties, because those

who allow this seed to sprout, will carry in their interior the inexhaustible Source of renovation.

My dears, the time to mature your beings has already arrived and My Immaculate Heart will observe you always and will be attentive to listen to your prayers and to take them to the Creator. I will push with My own hands those who risk taking the first step and I will wait with Love in this time of options and constant learning, for those who do not have the courage to live under My Mantle.

I Love each one of you and I thank you always.

And while Our Lady was elevating Herself, She continued:

I am also The One who renews all and Who strengthens all. In the same way I gave strength to My Son Jesus so that He could stand up the three times that He fell with His cross, I want also to help My children to stand up.

When you fall, look for My eyes and unite your eyes to Mine, uniting in this way your hearts to My Heart and in this simple way I will renovate you.

I love you.

Mary, Mother of the Divine Conception of the Trinity
