DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

Children:

For you I gave My Life and today I come to the world again to give My Spirit for all of you. Thus I want that you know My unfathomable, strong and powerful Love, a love that redeems you and forgives you, purifies you and liberates you all of the days. Come today to the Source of My Unfathomable Love because thus you will recognize that My Light also illuminates the great abysses of the world.

I come to pour over your hearts this unfathomable and majestic love, a love that I poured on the path towards the Cross, a redeeming love that I radiated to those that deserved it and did not deserve it. In the same way that the love of My Heart opens the doors of the deepest abysses, in this way I can also see the strength and the intensity of your love for Me.

Dears, I come to you to strengthen you and to encourage you to walk in the power of the faith of the heart. Love and faith will sustain you above all things and at the right time you will know how to act. For this leave your beings in the Source, in the Fountain of this Love because abandoning yourselves entirely to My Heart will erase from your memories the times that you have not felt beloved.

My Love converts you little by little, it molds you like a new wineskin so that the instruments may be at service of My Creator Father. Companions, may the love be your important mission because in love you will heal yourselves and for love you will redeem many causes that still are not solved in your hearts.

But when you trust in the power of My Love you will be able to take the step that you so much wait for, the definite step for consecration of the spirit and of the inner world. Be part of this Love of God, be a reflection and flashes of this inexhaustible Source of Graces. Be peaceful to be able to get close to this Infinite Love.

Under the Divine Love of God, be blessed.

Thank you for feeling My words of love and comfort in the heart!

Christ Jesus.
