DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF CARMO DA CACHOEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

Today I visit a place that I conceived as very special for My Heart. Today I descend in Glory upon My house and the house of all Children of Mary in the whole world.

From here the foundations will arise to be able to live a true prayer, filled by the most absolute love. From here redeemed flowers from My celestial garden will be born.

It is for this reason, dear children, that to be able to establish a part of My Kingdom and to consecrate maternally this house, I had to open the doors for the liberation of all that hindered this city to receive My Maternal Grace again.

That is how I consecrate today this house, dear children, as the ancient and sacred house of your Mother Mary of Nazareth. I would like this to be the house of poor souls, where they could find the nourishment of prayer for their spirits and, at the same time, the re-encounter with love.

Therefore, today I universally bless this house with the name of "Our Lady of the Poor", so that the same spirit of My simplicity and humility may be mirrored in this place with the purpose that, in simplicity and humility, poor souls feel loved and accepted by their fellow beings.

It is so that the house of the Children of Mary, of Our Lady of the Poor, will have the mission of creating for this city, for the nation, and for the world, a most potent planetary channel of prayer, so that all the spiritual wounds of poor souls may be healed and cured by the mission that the Children of Mary will fulfill here.

Therefore, dear children, your Heavenly Mother places today in this house the seven Guardian Angels of My Kingdom, those that will protect and accompany each prayer that will be recited and constructed from your hearts.

The house of the Lady of the Poor must be known in the whole world so that souls may know that they will have a place where they can appeal to and be sheltered. Today I unite to the children who conceived this sacred space with love, dedication, harmony, devotion and gratitude.

I thank you for responding to My call.

Who blesses and consecrates you on this day,

Your Mother Mary, Rose of Peace
