**SPECIAL DAILY MESSAGE OF THE MASTER CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS**

My dears:

May My Shepherd Heart be present amongst you and may you be in My Heart and you be able to take, as missionaries, My Message of salvation to the world.

May your example of charity awaken the need for serving in those who do not serve. May your example of surrender activate the need for consecration in those who do not consecrate themselves to My Heart. May your example of fraternal love reflect itself in those who still do not love God so that they may learn to love the Creator above all things.

Through this path of constant surrender My Redeemer Spirit accompanies you. Remember My companions, that you are attempting day by day to become detached from yourselves and to leave behind your projects for the realization of My Greater Project. In consequence, My friends, you will encounter all that is difficult for yourselves but My purifying and liberating Fire will penetrate you whenever you open for an instant the door of the heart.

My dears, today together with the Immaculate Heart I confirm to you that My Universal Mother will continue to be your Mother of Consolation, of Relief, of Hope, your Mother of Grace and of Mercy.

If you have come to the desert of your life, I ask you, dear sheep, dear disciples, that you do not lower your arms, that you feel that with each surrender made by you to My Sacred Heart that you are repairing the great outrages that Humanity sends to Me day by day.

For this know that I Am with you, I am at your side carrying the cross of the great transformation so that in the same way as the Cyrene of Jerusalem, you may victoriously take the steps towards your conversion and redemption.

I want that today in love your eyes may glow with light and that your lips, through prayer, may pronounce devout praises to the Celestial Father.

May My Mercy always be able to accompany you, to distance you from sin and in this way you may be able to enter the Eternal Temple of My Heart.

One more time I gather you in the name of Peace and of Good, of Charity and of Service to the whole world.

Many of My followers in this last cycle will confirm the Christic path that My Steps mark for all. Tirelessly I Am with you because I know that these times will need My Omnipresent Spirit of Love.

Under the Love and the Good of the Father, be blessed.

Thank you for considering My words with the Heart!

Your Redeemer, Christ Jesus.
