**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF QUITO, ECUADOR,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Here, in the Presence of My Son, this Pilgrimage for Peace is coming to an end, which has left Graces, treasures, and spiritual fruits in the most simple consciousnesses of the world.

So that all of this spiritual impulse may have continuity in the nations of Colombia, Ecuador, and Peru, the Children of Mary must continue to work so that the Work of the Mother of God reach more hearts, promoting meetings of prayer, of service, and of union with the Kingdoms of Nature.

If this is maintained and continues to move forward in the loving and unconditional company of the members of the Light-Network, more conditions will be generated, in a next stage of the Pilgrimage, for the Work in this part of the world to be mature and to embrace more children, as God expects.

Through the visit of the Pilgrimage Virgin to the homes, hospitals, homes for the elderly, and institutions for minors, as well as jails, your Heavenly Mother will be able to be instilling Graces of conversion and of love in more hearts.

Ecuador will be the heart of this task, so it therefore must have arms fully open in order to disseminate the Work in the other nations.

For this, I come to ask for unity among the nations, in order to conceive in these peoples the sacred values of faith and of a commitment to the Plan of God.

I am grateful for all that has happened and I hope that all of My children accompany Me to establish the triumph of My Immaculate Heart in the Americas.

I thank you for having received Me!

Who blesses you,

Your Mother Mary, Rose of Peace
