DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN CAJAS NATIONAL PARK, IN CUENCA, ECUADOR, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The ardent wish of God is that there be in Cuenca a Community-of-Light, guided and accompanied by a monastery of the Order founded by My Son.

In order for this to be possible, I come to ask the union and integration of My children of Peru, Ecuador and Colombia to carry forward this intimate wish of the Creator.

Right after this, I want to found a Marian Center in Cuenca, which will have the patronage of Mary, Mother of the Mountains.

There I wish to establish a center of prayer for the Andes and for all the peoples of the Andean region, in order to draw from Heaven, the Gifts of God that, by means of the community and the life of service and of prayer, must be established.

I wish from Ecuador a consecrated land together with Colombia, Peru, Brazil, Paraguay, Uruguay and Argentina, as a new Eden, where humanity can be regenerated in the upcoming times.

Next, I want to found another community in the region of Guatavita, in Colombia and also a Marian Center which will have the patronage of Mary, Queen of Cultures.

If My children, in time, carry forward these purposes, I promise to protect and to support the emergence of a new humanity in this region.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
