**SPECIAL MESSAGE FOR THE VIGIL PRAYER IN THE MARIAN CENTER OF AURORA, URUGUAY,  
TRANSMITTED BY THE VIRGIN MARY TO SISTER LUCÍA**

My children:

I come today especially for a special Grace that the Lord conceded Me, of being at the side of My little children for one more day.

This is for you to know, My dears, that I accompany you all the time and I hear each one of your prayers, as also each one of your requests, of your appeals.

The Lord allowed Me to be amongst you today in order to confirm in your hearts that a prayer made with Love will always open the doors of Heaven. And also so that you may know we are no longer in normal times and My Heart wishes to always impel you, each time that your hearts may allow Me.

I come to bring the Spirit of God to your lives one more time. So that those miracles that you seek to live may happen. Because there are many things which your hearts need that it seems will only happen through a miracle. Well then, I come to announce to you that we are in the time of the greatest Graces and that for the Kingdom of God nothing is impossible.

All that you ask Me is so simple, My children, when done with the heart. If you could see the true needs of the world and if you could discover the greatness of the Plan of God for your lives, you would perceive how simple and how small is all that your hearts need in this time.

What you must seek today is the Grace of living under the guidance of the Spirit of God because this is totally available for all of My children of the world. What happens is that your hearts do not seek Me, do not hear Me, do not feel Me here at your side, all the time.

If you knew, dear children, how much My Heart wishes that you may discover the true and glorious Grace that you live in this time. If each one of your hearts could perceive how great the offer that God makes for you in this time is, in which all the rest of the world agonizes, there would no longer be any more evil that you could live in your hearts, and only My Peace would reign in your beings.

For this I come day by day for the awakening of all of My children. Because it is already time to perceive the times in which you live and to perceive it truly, with the heart, with the soul and with the spirit.

Because if the Truth of God finds space to permeate your beings, then yes, the moment will come in which you will be able to start living His Will and manifesting His Plan of Peace which is bringing the Kingdom that there is in the Heavens to the Earth.

Find My Peace in your hearts. There, I have deposited My Love and the key to the definitive awakening of your beings.

I eternally thank you for answering to My Call and for praying with Me.

---

Mary, Mother of the Divine Conception of the Trinity.
