DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

My dear brothers and sisters:

May I in this time be able to awake in you the sublime humility of the heart so that your lives may liberate themselves from the identification with the things of the world and, in this way, you may walk in consecration to My Eternal and Sacred Heart.

Dears, may the path of competition and of the recognitions amongst men and women of this world be distant from My servers. May prayer be the only path that takes them towards the encounter with Me, with My Kingdom of Love. Because the love of My Heart and the love amongst My companions will allow them to defeat the great atavisms of consciousness, as are pride and vanity. May your hearts, before these attitudes of the world, strengthen themselves by the living the spirit of fraternity and redemption.

My Blessed Heart is open so that you may adore it as a temple of prayer and devotion, a temple of the Beloved God that will protect you from the attitudes of your own selves. For this go through the path of peace and may peace be the reason to gather in the Light all of My sheep.

I wait for the awakening of new flocks. So that it may happen and all may be partakers of My Mercy My servers will be as the living bridge of love and charity. In this way the greater number of souls will cross the threshold towards My Heart.

I wait for you always in patience and in love. Love each other compassionately, in this way the world will be a little more relieved.

Under the Grace of the Father, be blessed.

Thank you, children, for guarding My words in the heart!

Christ Jesus.
