WEEKLY MESSAGE, TRANSMITTED BY MARY, QUEEN OF PEACE TO FRIAR ELÍAS

Dear children:

I daily conduct you towards the inner encounter with My Son Jesus. For this reason this coming week I will be closer to your hearts in order to announce to you the Kingdom of My Immaculate Peace.

My dear children, today I come to you to pour out to you the Kingship of My Grace and of My Peace because your souls still need this maternal encounter with Me. While the world is moving I carry between My arms, to this world, each one of My children, the ones who need My Mercy to be able to arrive to the Mercy of My Son.

Today I Am also here to demonstrate to you the greatness of My Maternal Love for you and, through this Maternal Love, I ask you to be able to sustain yourselves in order to continue through the path that My Son is manifesting to you. Children, this path is called redemption, conversion, mercy, unfathomable peace for your little spirits.

Dears, My maternal gaze is also upon those children who suffer, especially upon those children who are in My beloved nation of Brazil. I call all of them once again to strengthen the prayer with Me. If I am not amongst you as the Immaculate Heart, who will aid you, dear children?

For this, My little ones, My aspiration to be near you is deep at each moment of life, but I find sadness in some of My children and I find despair in others. For this, do not fear! Relieve your hearts by calling Me! I Am your Immaculate Mother, the one who aids all who sincerely open to Me the doors of the heart.

My Children, do not fear! I Am with you! I pray for you, I clamor for you before God every day. Now, dear children, allow for My Peace to embrace you strongly so that your hearts may only calm themselves and stay in Me.

I love you deeply.

Thank you for answering to My call!

Mary, Queen of the Universal Peace.
