WEEKLY MESSAGE,

TRANSMITTED BY THE BLESSED VIRGIN MARY TO SISTER LUCÍA

Dear children,

As Mother of each one of your consciousnesses I return to My house, to Brazil, in order to be closer to your hearts. The Lord has seen how much you still need My presence, above all here, in the state of São Paulo. For this He commissioned Me to travel this place one more time.

My Heart has accompanied you during the whole day of today to observe the love and the joy of My children when preparing once again for My arrival to this world.

My children, to all of the hearts that accompany Me in the whole world I would like to make a special request of prayer: a prayer for the Reconciliation with God and with the neighbor.

I need that you pray for the union among My children, My servers and praying people spread throughout the world. I need you to gather yourselves to pray in the nations, in the states and in the cities. I want you to be a living symbol of the union among humanity itself and with God, Our Father and Lord.

My children, you do not know how much the world needs this Love that you receive today from My Heart. I come to radiate the light that exists in Heaven so that your hearts may find themselves a little more clean, more humble and joyful to comply with the Plans of God.

It is necessary in this time that Love for the Father may be able to speak more loudly than the individual will of each one of My children. Because this is the only way that the Love of God may have a definite dwelling in your hearts and that the unity between My Marian soldiers may be a reality.

Will you accept, dear children, to be together in order to open the doors of the world to My Heart?

Prayer is not enough, also necessary are unity and love among those who pray.

Ask for My help and for My intervention so that I will help you and I will teach you to live in Fraternity.

I leave in your hearts the simple example of the Love of My Heart of Mother so that you may follow the steps of the Blessed Virgin of Nazareth and of Her Son Jesus Christ.

I love each one of you and I wait for you in My Heart.

Thank you for answering to My Call.

Mary, Mother of the Divine Conception of the Trinity.
