DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The arms of God, the Most High, are open for all of you to enter into the pure Heart of Love. With this I want to tell you that the Universe awaits daily the coming of more souls towards the Kingdom of the Creator.

My children, a path to this encounter with the Universe of God is the Light-Star of My Son. In Jesus you will lose the fears of consecrating your life to the Will of the Creator.

Many souls lack the Presence of the Love of God because they put their personal will in first place. My Son teaches you how to be partakers of this Greater Will, which you will be able to find by means of the prayer of the heart. It is through prayer that you will find the true essence of the Will of God because your hearts are donated to the universe during prayer.

Dear children, today I ask you to pray for all those who live their own will and that are far from the true Purpose of God, which is the eternal life through His Merciful Love. The world will be able to be better when it accepts that God is the Only pathway for the life of every soul, because it is in God that all life can be conducted towards the Light.

My children, know that the moment has come for the world to recognize the existence of the Creator. Therefore, one of the reasons for so much prayer is the great need for salvation of many of My children.

As Co-Redeemer I ask you to contemplate every day the loving Heart of God. Each time that your hearts are in God, the world will be safer.

I thank you!

Thank you for considering My call in your life.

Mary, Mother of the Divine Conception of the Trinity
