DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

Pray every day for the hearts that, having received all the Graces, have not yet taken even a minimal step towards total surrender.

Pray children, with fervor and devotion, because the attitudes of the souls themselves will define them by the time of Grace or by the time of Justice.

Do not seek to blame or accuse the hearts that do not show gratitude; help them so that they may feel love and compassion for their fellow beings.

Happily, My children that moment has come in which souls will enter the path of Grace or the path of Justice.

It is for this reason that your Celestial Mother works tirelessly to help to untie the knots of consciousness, works to liberate those aspects of the unconscious world that govern and act by their own decision.

I come to teach you, through the path of prayer, to be merciful, so that the possible accusers of your fellow beings may disappear; knowing that in this time, no one has permission to throw the first stone, because in some ambit there are still debtors.

It will be the love itself of your fellow beings that will free you in order to understand the essence of life from another point-of-view.

I thank you for responding to My call!

Who blesses you.

Your Mother Mary, Rose of Peace
