DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM MAR DEL PLATA TO BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear son, dear daughter,

Completely empty all your being of expectations, results, and fears, because at this time the hour of conscious purification is approaching.

Empty all your being of elucubrations and wonderful ideas, so that, looking for the Void of God, you find the universe of nothing, of surrender, and of the unconditional.

Empty your mind of projects, of ideals, and of any doubt, so that, when you are before the Will of the Father, your consciousness does not lose the opportunity of fully and confidently launching itself into the Plan of God.

Empty your inner world of what is perfect or imperfect, of what is weak or has solidity or spiritual fortitude, so that before each new test, your heart can be living everything in peace.

Empty yourself without fear, empty yourself, so that the powerful seed of humility and of renunciation may arise in you, and thus, in each new learning you can be free of yourself.

You have to empty yourself completely of yourself so that you may hear the teachings and the corrections that will reach your path in order to shape your spirit and to transform everything that is archaic in your consciousness.

Empty yourself and just say "yes" to Creation.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
