DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BAHIA BLANCA, BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While Our Sacred Hearts are here today, present among you, your Celestial Mother opens the doors so that an infinite legion of angels may invade Earth, in order to pour out on this humanity the Graces of God, those which the Sacred Family of Nazareth once received at the Manger in Bethlehem.

Those same merits that were granted to the Three Sacred Hearts are arriving through The Most Chaste Saint Joseph and your Celestial Mother to all the families of the world.

The legion of angels that your Celestial Mother sends today towards the five continents has the divine Purpose of dissipating and disarming the plans of My adversary.

Each prayer that was pronounced today with the sincerity of your hearts, My children, allowed the Sacred Hearts to expand their Graces over this suffering and divided world.

I would like this same spiritual impulse to emerge from your hearts so that a new spiritual family may be born, first in your essences, to later emerge in the consciousness of humanity, free of separations, outrages, and indifferences.

Today the Sacred Family comes through your hearts to the families that are enslaved by work, by manual exploitation, and by the sale of thousands of innocent lives that are imprisoned by the chains of other human beings in this world.

Your prayers reached all those hearts that lost faith and trust in God because their lives were completely empty.

Lastly, My children, on this day of spiritual blessing I would like you to offer the Eucharist for the inner restoration of hearts wounded by so many outrages and exploitations.

I thank those who made my coming to Argentina possible and I hope to soon be together with My children to praise God.

I thank you for responding to My call!

Who blesses you.

Your Mother Mary, Rose of Peace
