**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF QUITO, ECUADOR,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Some Treasures of the Eternal Father, which are still kept in the inner worlds of humanity, need a timing so that they may be revealed.

When the time of the revelation of these Treasures approaches and contrary forces mobilize to prevent this, the great strategy of the Light is reclusion, in order to wait for the due time for this spiritual revelation to be carried out.

This does not mean to go back in time, nor to set a need or spiritual evolution aside.

Each divine strategy proposed by the Eternal Father Himself has a significant victory and when a withdrawal is established in this final stage of the battle, it is the way in which, in a next instance, there will be a greater impulse, much more than what is expected.

Certain Treasures of the Eternal Father, which are kept in the inner worlds of the planet, awaken powerful universal currents of transformation and of transmutation of the spiritual precariousness of the majority of souls.

In order to generate this opportunity for liberation, these Treasures must be activated in the proper moment, so that contrary effects in humanity are not generated.

The mission of awakening these Treasures must be done in harmony, so that everything flows as foreseen.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
