DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF QUITO, ECUADOR, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I return in this period to finish preparing My apostles of the end of times.

I come, in this cycle, with the definite intention of finishing enclosing the last group of My flocks so that they may accompany Me to the end, until the preparation for the glorious return of your Master and Lord is finished.

Meanwhile, I come to ask My companions for an immediate disposition, capable of responding to the urgent needs of these times, in which everything will be unleashed to define the last pieces of the Plan.

In this cycle, this immediate disposition will help in the rapid elevation of the human consciousness, and above all, will lead souls to realize that the times have changed and that the time has come to open the eyes to what will come from the firmament and will be marked as a sign.

It is time for the last soldiers to finish awakening.

I come with that purpose because it will be urgent and essential that everyone become aware, ahead of time, that the planet and its present humanity will experience a great shift.

I wait for you always in communion with the attributes of the Eucharist, of prayer, of service, and of confession before My Glorified Heart.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master, Christ Jesus
