DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE TRIP FROM LIMA, PERU, TO SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Concentrate your attention on My Heart, which is the preferred refuge of simple and loving souls.

United to each one of them, your Master and Lord does wonders, because in the same way that good souls enter into My heart, I can commune of humble souls.

The first step is to feel yourself within My heavenly fullness.

The second step to be in My Heart is to recognize the Ocean of My Mercy, because there everything will be washed and you will be purified.

The third step is to forgive yourself or the fellow being, and establish, thus, an act of reparation capable of dissolving human suffering so that the Love of God may reign.

Enter into My Heart in trust, and there, everything will be clarified from the first moment. Feel yourself a participant of the Work of My Mercy so that, through your soul, that Work of Mercy and Redemption is reflected to the world.

Decide now, to remain in My meek Heart, and I will shelter you and protect you from the storms of the spirit.

Commune with Me on this day and feel renewed by the powerful action of the Holy Spirit.

Have much faith.

I thank you for keeping My Words in your heart!

Who blesses and absolves you,

Your Master, Christ Jesus
