DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To those who once awakened to God

Look at yourself and with faith observe what has happened in your life after these last and long years.

Look with love and fervor at everything that, little by little, has changed, how many things have already been dissolved and how much there is still to be sublimated and surrendered.

Recognize that you are a miracle of God and that your consciousness was blessed by the Heavenly Father.

After so many efforts, trials and challenges look with gratitude where you are today and who surrounds you. They are your friends, your companions and your apostles, the apostles of the path.

Do not lose hope and glimpse with joy the wonders that the Lord has done in your life.

Look at the past transformed and converted, and contemplate the present consecrated to the Will of God.

Everything in life has a reason. Everything in life has a meaning and a goal. Everything that happens has a reason and is part of an infinite and eternal principle.

Rejoice and reconfirm yourself on the path of love, constancy, perseverance, and faith.

The world needs a valuable soul such as yours, which can be a receptacle of all the Graces and encouragement for those who suffer the most.

Listen, listen again to the call of the Lord and let Him be the one to guide your life until the next stage.

The time has come for you to recognize the divinity within you, as a poor soul, divested and free, at the feet of the Redeemer.

Remember, day and night, all the things the Lord of Life has done in your life.

Penetrate, finally, the Great Mystery and be a part of Creation, being in inner communion with Heaven and Earth.

Only give thanks, again and again, give thanks so that the spirit of gratitude may rebuild the planet and, above all, humanity. May gratitude bring you to understand everything and to love everything, without conditions and without expectations.

And now, after so many years of blessings and instructions, celebrate with Heaven the victory of the King in your tiny life.

Share with the world the profound feeling of the Love of Jesus, so that even the smallest particle of life may be renewed.

Celebrate the sacrament of faith and of hope.

Let the Holy Spirit impel your life to the new changes and let yourself be, for many more years, the example of an achieved conversion, of a miracle realized, of a work accomplished in the most intimate part of your heart.

Everything is part of the Grace and of the Love of God.

Everything is part of a Supreme Will, unchangeable and irrefutable.

Everything is part of the Work of redemption and of peace.

Continue to be the example of persistence; continue to be the example of faith and of service for humanity.

May your whole consciousness, soul and life be blessed today, so that what is written may be fulfilled.

I thank you for responding to My Call!

Who blesses you,

Your Mother Mary, Rose of Peace
