DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The one who falls and comes towards My Heart and confesses to it, I will one day liberate it because My Father is pleased when a soul has learned from the same lesson, no matter how many times it has fallen.

Like this is the mercy of My Lord and of His Firstborn Son who is in Heavens and who will come to liberate from hell the many who have suffered in the ignorance of the heart.

For this, those who walk everyday towards Me and in My full trust will find the supreme comfort that I promise for all those who in faith may persist on the path of consecration.

It will be due to each soul of God to learn a part of the great project that was designed in the origins of the origins and that at the end of this cycle humanity, through prayer, service and love must revert to.

May no one be tired of walking because the journey towards the infinite is continuous. Your beings must continue being purified by My Redeemer Fire when you only allow Me to do so and in this way you will find the path of return to the dwellings of My Father in the universe.

Accept that you already live in another time and that this time is radiated day by day by My Light to the places where there is pain and suffering. Walk towards Me and may your feet not get tired of walking for other brothers and sisters so that My Savior Project may be accomplished.

Leave behind your feelings, donate yourselves completely to the outflowing of My Spirit because in this way all will be accomplished. Cultivate a heart of humility and of peace-making so that nothing may disturb you and you may feel in your hearts the need of surrendering yourselves to the others more each day, as My Universal Consciousness has surrendered to each one of you.

I thank you for witnessing My Spirit of Love in this holy day. May the absolution of the Father, the Son and the Holy Spirit liberate you from all evil and may you achieve eternal life.

I Am with your hearts always.

Under the Mercy of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
