DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

May My Redeemer Light impregnate you and separate you from the evil that the world generates.

May your hearts not be afflicted with how the other souls are. May your surrender represent the surrender of those who still close the heart to Me.

I watch over each essence but the time is coming of the Universal Justice.

May each soul be repentant and confess its sins to My Heart because in this way I will tell them: "Go in Peace and sin no more, the Lord has saved you".

Dears, continue today with Me and just observe My Footprints, those which will indicate the new direction. May nothing distract you and may My Heart show you the next step that you need to take.

Go ahead because you will be with Me in the redemption of the world. Be brave, I love you above all things.

Under the Power of the Father, be merciful.

Thank you for venerating My words with the heart!

My Law will be accomplished in those who may unite themselves to it.

Christ Jesus.
