DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I intend day by day, with My Merciful Power, to remain alive in the imperfect hearts.

My Redeemer Spirit is present in the true outskirts of the souls with the aim of saving them, as once I did when I was amongst you in the world. For this My Hope for the salvation of the world, for the salvation of the most asleep and sinful humanity, still does not end.

My Ocean is unfathomable and I still have much thirst for those who, having shown Myself to them, turned their backs to Me and this because they still do not know My Merciful Love.

It seems that for many it was not enough that the Son of Man had given His Water on the Cross and had poured His Blood for all. My redeemer Task has no end until the hell in which many live and the dreams that many construct will be finished, waiting for the glorious moment of My return to the world.

For this I prepare those who may want to wake up for an unknown life, those that want to wake up to the beyond of the ordinary and normal. My achieved Universe, the one which is not from this world, is coming, and in this way the Spirit of My Father is coming to reveal to the world the phase that you do not know, that you ignore by placing your eyes in other paths that are not celestial.

My Light presents itself again in Spirit for those who may want to see Me and for those who are very distant from God. Look beside you and observe with attention because the Son of God is returning in Glory and this Glory will be near those who may open themselves to recognize It.

For this I will not be distant from each sheep. I will return to to give you My Body as a food and I will give to drink My Blood, with the New Covenant constructed between the Universe and the Earth, the Covenant of the Son of God that will give you eternal life.

For this be consistent and vigilant at the end of these times. I Am giving My pearls to those who still do not know how to manage My Celestial Goods, I Am giving the fruit of tree of wisdom to those who need Me the most.

I gather you again in My Redeeming Supper to unmask the wolves and, in this way, to redeem them because I want that all may be in My Kingdom of Light.

Under the Love of the Father, be merciful.

Thank you for meditating My words with the heart!

Christ Jesus, the Redeemer.
