MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE AND VIRGIN OF SCHOENSTATT, TRANSMITTED IN THE CITY OF EINSIEDELN, SCHWYZ, SWITZERLAND, TO THE VISIONARY SISTER LUCÍA DE JESÚS

How to receive Mercy

My Children,

I come to the world at this time to teach you not only how to cry out for Mercy, but how to generate merits so that you are worthy of the celestial atonement that Divine Mercy brings to your lives and to the world.

I come to warn you of the reality of the planet, which agonizes before the indifferent eyes of most human beings on Earth.

I come to remove you from ignorance because human ignorance and indifference have no nation, no religion and no culture.

Ignorance and indifference are in the human consciousness as deep roots, which have been growing and gaining space throughout your development as humanity.

And today, these roots are fed by the modernities, commodities and facilities that this world offers you, through things that are created at the expense of humanity and the Kingdoms, and by the outrage of the Earth.

Therefore, My children, I arrive at this time to cut these roots, to lead you to a new life, to show you an option that the world does not show you because darkness has taken over the daily life of many human beings.

In order to awaken within your hearts the love that leads you to Truth, I call you to service and to charity, I call you to prayer.

Only the heart that begins to serve can understand what I tell you, and if you do not try for yourselves, you will never drink from the Source of Wisdom, which is born from experience and not from words.

My Words are divine impulses, they are like the Light that brightens a dark room so that you may find the door out of the prison of these times. Therefore, My children, listen today to My call, My Voice that is pronounced by a Divine Will, superior to all things and that transcends human understanding.

Listen to My Voice and follow it.

This world is blind, and your Heavenly Mother comes at the request of God, to bring the Light so that you can again see and bring life to those who died and did not realize it because, day by day, they fall into the abysses of ignorance and indifference.

I come to a Nation that is full of knowledge, filled with sciences and philosophies, with an aspiration to transform, but today I tell you, My children, that not only your own lives should be cared for. This world as a whole is your home, and every being that dwells within it, all the Kingdoms of Nature, are your brothers and sisters and sacred creatures of your Celestial Father.

Today I call you to leave aside the sciences and philosophies, and all the knowledge that fills your minds in these times so that you receive from God the Divine Knowledge, Understanding and Wisdom.

And I tell you that there is no other way to receive what the Father offers you if you do not cross the door of humility and, on your knees and in prayer, cry out for Mercy.

It is not the riches of the world that will fill your souls, but the fullness of knowing that you have done everything so that all your brothers and sisters can have an opportunity to feel and experience love and true joy, and the fullness of knowing that you have fulfilled your part to reach the Father, before His Celestial Altar, with a clean and peaceful heart.

Listen, My children, the warnings of your Celestial Mother. Serve, pray and cry out for Mercy.

Go to those who need the most, and let charity work in your hearts, transforming your human condition, cutting the deepest roots of ignorance and indifference. Thus, you will know and understand what I tell you.

I thank you for listening to My words, and for opening yourselves from the heart to the divine impulses that I bring you today.

Who blesses you and loves you,

Your Mother Mary, Rose of Peace and Virgin of Schoenstat
