**DAILY MESSAGE OF MARY, ROSE OF PEACE AND VIRGIN OF SCHOENSTATT, TRANSMITTED IN THE CITY OF EINSIEDELN, SCHWYZ, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Equality among Peoples - Part II

And a New Humanity and a new planet will be built, from the moment in which human beings fraternally share everything they possess and distribute everything they have in perfect harmony, unity and equality.

This will create the condition for the current race to build, within the beings, the New redeemed Humanity

All who manage to accompany this movement and all who carry out this goal will deserve more Mercy and forgiveness, because they will be stepping out of themselves, of all that is petty and mediocre, to begin to live a new state of consciousness.

Thus, there will no longer be the poorest among the poor, but rather a true civilization that will manage to approach the living of the Attributes of God and the manifestation of His Divine Plan.

In this sense, all those who promote in the world balance and equality among peoples will be deactivating the occult groups who instigate and promote, in a perverted way, imbalance and inequality.

The moment will come in which none of these consciousnesses will be able to go ahead by their own means, due to the immense darkness that will absorb them; for this reason, they will seek help, consolation and much aid.

Thus, those who are sovereignly working for equality among peoples will be conceding, without perceiving it, an extraordinary Grace for these souls, and they will receive, although they do not deserve it, the Mercy of God.

At this moment, and in this hour, the Mother of Heaven will intercede and all these souls, lost due to abuse of power and pleasures, will be converted by the imperious Love of the Heart of the Father.

A Divine Ray of Justice will disarm all the world system and everything will change overnight.

Thus, I come to Switzerland to ask for the restorative Communion of the first five Saturdays, so that here, and in the world, many more souls that are lost may receive the spiritual help needed to repent from their errors, and to ask for Mercy and forgiveness.

In the meanwhile, I wish to establish in Switzerland the true devotion for My Maternal and Immaculate Heart so that someday, and from here arises the imperious necessity of definitely abandoning the superficial life and the pleasures that make the souls of people die for not having God.

I need those who decide to accompany Me in this purpose to establish groups of prayer in Switzerland, in order to generate a potent column of redemption and of Light that will spiritually communicate you with Me.

I hope this request will be fulfilled, so that the ever Virgin Mary, Mother of All Peoples and Virgin of Schoenstatt, can intercede to establish the living Love of the Source in the hearts that are hardened and empty of God.

I thank you, from now, for your cordial and loving response.

After the groups of prayer in Switzerland are created I will say, in a short time, a new request.

I thank you for listening to Me with attention!

Who blesses you always,

Your Mother Mary, Rose of Peace and Virgin of Schoenstatt
