DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Whenever your eyes get too tired to see the infinite path of transformation, turn your gaze towards My Sacred Heart and confirm, in My Name, your continuity in My Christic Pathway.

Guard each moment that you live with Me as a treasure that you will accumulate in Heaven and you will pour as a blessing upon the hearts that most need of Redemption.

Each little sacrifice that is realized in life has greater proportions in Heavens because each time that a soul donates itself, the Infinite Grace touches a wounded heart to be able to heal it.

See how big is the Love of God for the world that, in each service realized with the love of the heart, all of those who must receive a celestial opportunity of conversion will receive wonders.

It is necessary to have courage to continue. Times change and the heart must mature through the surrender for that which it does for love and honor to God.

I Am as a bridge, uniting your heart with the Heart of God. Continue walking, follow My footprints of Light.

Under the Love of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus, the Redeemer.
