SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED FOR THE 60th MARATHON OF DIVINE MERCY, IN THE CITY OF BAD VÖSLAU, AUSTRIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

First Message

My Silence speaks about the truth of these times.

My Silence reminds you of the moment of My passage in the Garden of Gethsemane, and the most hard hour of the Agony; a moment in which God revealed the truth to Me and made me know it deeply, so that not only My Heart could be prepared, but also so that My Spirit could be prepared for the times that would come after My Ascension to the Heavens.

We are in the hour of this great truth.

We are before the revelation of this crucial moment that comes to the world in order to show its reality, and thus step out of blindness.

Today, your Master and Lord carries the ingratitude of the world and all offenses that the hearts commit in these times, in their profound ignorance.

It is an inexplicable feeling, it is an inextinguishable sensation, it is a very great pain to bare and, above all, to carry within My Heart.

Thus, I come to ask the world, and those who believe in Me, for the reparative adoration for five minutes, so that the Heart of the Lord may be consoled of the offenses it received and the ingratitude it felt from all those who once were by My side, but that the deceiver of the world separated from Me, for different reasons.

This is not the message I would bring you today, for your knowledge and instruction, but the Savior of humankind must reach the end, the last soul, the last corner of the world, to give help to those who need it the most, especially those who live in their ignorance or in their indifference.

In the reparative adoration of five minutes you will be able to console your Master and Lord of so many feelings and offensive attitudes that the souls of the Earth send to Me, along different paths and through different actions.

Here is the Heart, that still suffers for the world and for those who turn their backs to the Redeemer of the Universe, ceasing to correspond to Him how He needs, how He has thought and how the Celestial Father has proposed.

But let those who continue with Me not fear; repair the sorrowful Heart of the Most Beloved Lord, so that the seven main feelings that offend God may be transmuted and repaired by the merciful power of My Heart and by the adoration that souls offer to Me, for just five minutes.

Thus, you will repair the Heart of the Son and, as a result, you will repair the Heart of the Father.

You will repair the Heart of Christ for the feelings of indifference, for the feelings of ingratitude, for the feeling of denial, for the feeling of cowardice, for the feeling of negligence, for the lack of faith and, especially, for the feeling of lack of love for the Works of God, and to their fulfillment on the Earth.

For these seven feelings, you will adore the Eucharistic Heart of the Lord of the Universe and you will offer reparation, so that the souls do not keep confusing themselves.

And although the flock is agitated and the fierce wolf is stalking, the Shepherd of the Universe will not retrocede. He will not retrocede because He will come to save you, He will come to show you the path and the Light before darkness.

Companions, the time has come for definition.

The cross of this time is very heavy and who in truth is not with Me will not be able to carry it, even if they try to, even if they want to do it.

Whoever is not with Me, is not in love and might not know it.

Thus, implore to God with repentance of the heart, so that humility may be conceded to you, and your hearts may purify before the vengeance that the adversary will emit against the followers of Christ, in the end of these times.

If there is not love, nothing can be solved.

Words will not be enough. Comments and judgements of value will not be enough.

I need you to be My living example on the Earth, even if you never manage to.

You must mirror My Presence so that My Heart may be glorified in the confines of the Earth.

The moment has come to no longer deceive yourselves, and not to allow yourselves to be deceived, because many will come in My name and will affirm that others are the path, and many will believe it.

Thus, submerge in My sorrowful Heart, so that the flame of your love may console and repair it, through the adoration to My Eucharistic Heart.

The signs of the time announce great events, within and without men, within and without women of the Earth.

And there will be nothing and nobody that can detain their definition in this time, a definition that will mark the destiny of the next stage and, I might say, of the whole of your existence, until after the return of your Master and Lord to the world for the second time.

Thus, I do not talk to you of little facts or of insignificant misunderstandings, of poor adhesions or

of lack of immediate unity with your brothers and sisters and fellow beings.

You are before the Second Person of the Most Holy Trinity.

You are before a revelation that is being announced since the origins of the Earth, to the present.

Thus, I would like to know, who will drink with Me from the New Chalice that God will deliver to Me?

What will be transmuted in these times will be very different from what was transmuted in the times past, during the Presence of the Son of God on Earth.

I invite you to open the heart, even more, to hear My Words, and for them not to become transitory, neither forgotten; because My time is ending among you.

Those who cannot donate themselves totally to Me will always be in freedom, because God made you free so that you could learn to love just as He loves you, infinitely.

I am delivering the planet in your hands and in trust.

I deliver humanity to this Work; because what will come to happen in the near future will be very great and will demand responsibility and correspondence.

I do not want you to feel fear from all of this, or from all that I have told you.

I bring you the revelation of the same feeling that God placed in My Heart during My passage through the Garden of Gethsemane; a feeling and revelation that is being fulfilled at this moment, through the responses that My followers give Me, above all, those who give up on Me and let themselves be defeated.

Be intelligent and use the power of My Heart to transform everything.

Be something more than human beings, that live and breathe on this planet, that hear or speak, that feel or think.

Be, in truth, what you have come to be and do not justify yourselves, because in this way you will never change.

My Heart can no longer receive ingratitude, because the world gives it to Me daily.

My Heart only wants to receive your love and your truth.

I come to Austria for you to understand what we are working on together and the importance that this has for God in the Universe, as on Earth.

Are your feelings and restlessness not small before the true reality of humanity, and of its self-destruction?

Grow up and you will understand the Plan; you will live it, just as I live it and you will accomplish much more than I accomplish; because I told you that you would do greater things than I did a long time ago.

May My Words remain, and not fade away, because My Words, when I am no longer here, will be your remembrance to live redemption.

May the Lord bless you and illuminate you.

May the Lord give you His Temperance and His Meekness.

May you correspond and work in the Lord, so that the fragility of these times may be defeated by means of the strength of the Holy Spirit.

In the name of the Father, the Son and the Holy Spirit. Amen.
