**SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED FOR THE 60TH MARATHON OF THE DIVINE MERCY, IN THE CITY OF BAD VÖSLAU, AUSTRIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Second Message

It is the love of My friends that makes Me come to the world many times and I do not tire of doing it, because in them I will be able to find the reason to accomplish My Work in humanity, and in all nations.

While I was in the Garden of Gethsemane, the Lord revealed to Me the wonders that would happen after My Ascension, until this moment, in which we find ourselves today.

He revealed to Me the prodigies and the works that My followers would carry out, and although it would be difficult to accomplish, and to carry forward, they would never be lacking the impetus of the Divine Spirit in order to concretize them.

After so many sufferings lived during the Agony in the Garden of Gethsemane on the night of Holy Thursday, after Our Father showed Me all that would happen, not only with My Consciousness, but also with humanity and its generations, an angel of the Lord presented itself to give Me encouragement and joy, to give Me strength and motivation to keep drinking the Chalice, that the Father was offering to Me, for the redemption of all sinners, for the salvation of humanity and for the conversion of the whole Earth and of all of its races.

The angel of the Lord showed Me what would happen after I had been on Earth and ascended to the Heavens.

No one could imagine how many prodigies God can accomplish through the souls that follow Me and live Me.

I am not here for the ungrateful, I am here for those who are consistent with Me and make an effort to be so in each stage of life, at each moment of living a greater sacrifice for My Heart and for My Consciousness, in each opportunity of just saying "yes" to Me.

This "yes" of all of My servers and followers, I use it in order to come to the world and announce the Word of God, which will resonate in the faithful hearts, which will arise as a wellspring in the humble hearts, which will transform those who have not been redeemed yet, nor imagined they could be redeemed by My Presence.

Today I bring you this reality and this revelation.

In that time, the angel of the Lord came to console Me, just as I come today to console you, and all who listen to Me.

Because love is the great key that dissolves all evil.

Love is this powerful current that transforms all, and that vivifies the souls.

The Spirit of the Love of God is invincible and eternal, just as your love for My Heart and for My Consciousness can be eternal. This is what will allow Me to come to the world; it is your faithfulness that will allow Me, through you, to fulfill the Plan that the Father gave Me for this cycle, such an acute and suffering cycle in humanity.

Thus, I invite you in this afternoon to see the positive side of things, to see the fulfillment of the Plan by means of the difficulties and tests. Because what I most hope for is that you can grow internally, that you can give testimony of My Presence and of My arrival in the world in these critical times.

Those who do not respond to Me, or have ceased to respond to Me, I will take care of; because what God has delivered as purpose for these souls cannot be interfered with, nor altered. Thus, everything will have a judgment, not only within humankind, but also in the whole Earth.

I come to pour on you My Mercy, and My Grace, so that everything may purify and sublimate.

There is still time to save and redeem yourselves, but the first rule I ask of you is your rendition.

Who does not surrender will not be able to follow Me, and in this moment you are already seeing examples.

Rendition breaks and tears resistance.

Rendition breaks the hardest rock of consciousness and the most impossible obstacle of the being.

Love will win together with the rendition of the souls who surrender in faithfulness to My Heart, so that I can build the new in each one of them.

My testimony is to tell you the Truth, because the Truth is love and it is transparency.

Transparency must be the stamp engraved in your hearts, so that you can endure the times that will come without deceptions, nor interferences.

I still need you to work on this, even if it costs you, even if you do not know how to live it, even if you have not incarnated it in yourselves yet.

Live in My inner Transparency and you will always find the Truth, and the heart of your beings will not be lonely, it will be filled by My Spirit and My Grace, in order to be renewed, from time to time.

In this afternoon I encourage you to contemplate the greatness that the angel of the Lord revealed to Me, through the last witnesses that would pronounce My Name to the world and would say that I am already returning, to definitely change this humanity.

Thus, be brave and follow the Star of the Confraternity of My Heart, which will be the emblem that will guide you when I am no longer present, and only My Words will be the testimony of My Love for you and for humanity, so you can remember that in each message delivered, I left you an important key, in order to change.

My Heart feels bliss for those who correspond to Me.

My Heart feels plenitude for those who participate in My Work and make it theirs in their lives, at each moment of prayer, at each moment of service for humanity and for the Kingdoms of Nature, at each moment in which you say "yes" to the Lord.

Thus, let your hearts not be mistaken, because if I am still here it is because I need something from you, and you have to give it to Me for the Plan to be fulfilled.

There is nothing more important, companions, than the Kingdom of God being fulfilled on Earth, and the souls being participants in My Celestial Church, in the confines of the world and in each inner being.

Yesterday I gave you the revelation of My pain for those who offend Me; today I give you the revelation of My joy, the joy that the angel of the Lord gave Me for those who accept Me in an unconditional and true way.

I do not need you to be perfect, I need you to be transparent and very crystalline, as the water that runs in the rivers and which encompasses great oceans.

Submerge in this potency of My living and resplendent Heart, and evil will not find you or confound you there.

Because who is true to My Heart, will be able to be true with their brother or sister, will be able to say "yes" to Me and to their neighbor. Even when you believe you will not manage, even when you think you will not be able to donate yourselves, you will be able to do it, when you confirm your "yes" to My Heart.

The pain may be deep in the Heart of the Master, but the joy that is given to Me, from those who serve Me, is eternal and invincible.

Cling to the living Attributes of My Heart, so that I can keep working in the world, and you will see in a short time, and what I tell you is not symbolic, you will see in a short time, many more who will come, in an unthinkable way, to the Work of your Master and Lord.

May unity be established in the heart of those who want to follow My Path.

I will not stop Myself for those who deny Me.

I will not move away from those who follow Me.

I will not detain My steps for those who turn their back on Me, because My Heart will triumph, just as the Living Heart of God triumphed on the Cross, in His Son.

But now, I will not shed My Blood to demonstrate to you that God died on the Cross for you, to forgive you for your offenses and ingratitude.

Now I will demonstrate the current of My Grace and My Mercy, which will illuminate the hearts of the world, forever.

In the name of the Father, the Son and the Holy Spirit. Amen.
