DAILY MESSAGE OF MARY, ROSE OF PEACE AND LADY OF MOUNT CARMEL, TRANSMITTED DURING THE JOURNEY FROM COLOGNE TO FRANKFURT, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Proclamation of Gratitude and Love

Dear children,

On this special day, in which My children of the world celebrate the day of the Lady of Mount Carmel with love and profound devotion, I would like to proclaim to your hearts, just as it was during My visitation to Elizabeth, all the gratitude and love that you can feel from My Heart today, for having accompanied Me, as serving souls, during the trajectory of the last Pilgrimage for Peace.

I would like to thank, from My Maternal Heart, for the effort and dedication of each son and daughter of Mine, during each stage of construction of this Pilgrimage.

I would like to thank for the sincere effort and the immediate help of each child of Mine, in their spirit of collaboration, so that the Pilgrimage could gradually be fulfilled according to the Will of God.

I would like to thank, children, for the souls that awoke and for the offerings made during the songs in different languages.

I would like to thank for the fundamental fulfilling of each one of the novenas that were requested, since that, through the prayers of My children, your Heavenly Mother could deepen into Her Mission for humanity, just as Christ and Saint Joseph.

I would like to thank for the effort of all for having learned to pray in other languages during the journey of the Pilgrimage.

I would like to thank for the honesty and the constant faithfulness of the Network-of-Light before the call of inner support, to this sacred mission.

Everyone, without exception, My children, in some way or another was present in heart and soul, knowing that for the Creator Universe it was, and it is, fundamental to relieve the millenary pain of the nations of the world through the Ray of Love-Wisdom.

On this day, I invite you, by means of all efforts made, for your lives to renew again, so that the next stages of the Plan of Love may be fulfilled, just as they have been fulfilled so far.

With all faith of My Heart, children, I give you the graces and I give you My Heart, as a symbol of union of your lives with the Celestial Father.

On this day of the Most Holy Lady of Mount Carmel, may humanity and the whole planet receive the blessing of the Father, the Son and the Holy Spirit. Amen.

I thank you for cooperating and for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace and Lady of Mount Carmel
