

Prayer for the Concretion of the Plans of Peace of the Virgin Mary

Beloved Divine Purpose
that dwells, acts and lives in the Higher Universes,
descend upon the aura of this world
so that all of humanity may
awaken to the call of Your Will and of Your Wish.

O Most High and Supreme Lord!
may Your Celestial Armies
and all beings that work in the name of Your Light
help to teach and instruct all souls so that,
under the Wisdom of Your Divine Thought,
the entire race may materialize Your Favorite Project.

Glorious Lord of the Heights,
make us conscious of the real need of these times so that,
together with your Blessed Mother of the World,
we may carry forward the existing and living project
that is kept in Your Most Pure Heart.

We accept to assist You!
We implore to serve You!
We hope to live Your Divine Will!

Amen.
