**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Fully trust in the Merciful Love of My Son; in His Sacred Heart you will not only find refuge, but you will also find serenity and love.

Enter with confidence and forgiveness in the Soul of My Son so that His kind gaze of peace may guide you in the path that you are traveling.

Feel in your hearts the Sacred Divinity of My Son so that your lives may find the Holy Spirit through the words that His Voice dictated in the Sacred Scriptures, in the Gospel. Meditate with the heart on the purpose of each parable. Ignite the Light of your hearts in prayer and see the message of Christ for the world.

Live under the shield of humility so that you may find Christ in the other hearts in need of conversion.

I invite you to remember the Sacred Scriptures so that you may see the words of the Redeemer as a great key that opens the door to the Heavens. With honesty live the instruction as a sign of Good News for all those that walk as pilgrims of prayer.

Let us watch over the presence of peace through the groups of prayer. Peace is necessary in these times, in each one of My children.

Thank you for responding to My call. United in Divine Prayer,

Mary, Mother of the Divine Conception of the Trinity
