DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I Am the Universal Star and I Am the Greatest Sun that comes from Heaven to save, up to the last minute, the greatest number of souls.

For this, at each moment I need faithful and dedicated servers of Peace and of Good that may be able to be transmitters of My Merciful spiritual impulses. I hope that through My daily Words of love many souls that are asleep and far away from My Blessed Heart return just by having been touched by My Redeemer Love.

Companions, a new time approaches and each day that passes in you accelerated time My Light descends to embrace the little hearts. Be bearers of My Simplicity, Humility and Pacification. Be firm bridges in prayer, that may sustain in this time all of those who forget to look towards God.

May the faith in your essences never end, may it be the true fire of devotion that elevates you to the Kingdom of My Father. Never forget that I am here to help you to find day by day the path towards My Temple and My Heart.

Pray for those that still do not look at My Merciful Heart and today I tell you again, My dear friends, with a few I will row the Boat of the New Time. For this moment prepare yourselves from the heart. I thank you for listening to Me.

Under the Mercy and the Peace of God, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
