DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

When I return I hope to see the faces awaken to be able to confirm in them the path that they have travelled with Me.

For this in this time of Mercy and of Piety My Heart observes the effort of all of the servers because it is through them that I will place My Codes of Mercy.

In this path of surrender to My Merciful Heart will be necessary a true devotion and interest for seeking Me because otherwise I would be depositing My Celestial Lights upon old wineskins.

Sacrifice is the path that very few choose to walk because to go over it is necessary the Divine Will so that the self-will may be dissolved.

I Am still awaiting for those that will awaken to the path of return to My Heart. When I return I hope to see the new disciples awaken so that they may recognize Me. Whoever loves sacrifice transcends tiredness because after a great effort you are put between My Arms of compassion.

Under the Love of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
