DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

In this afternoon of endless mercy and infinite wonders for souls of the entire world, I see with joy the hearts gathered in My Name, hearts that in truth intend to follow My Path of consecration and apostolate.

To you and to all those who follow Me, I give My Celestial Mercies to erase any affliction, impediment or limitation that may separate you from Me.

The path for you to reach Me will be the merciful prayer. All those who accompany Me with the heart and unite themselves to My Inextinguishable Source of Mercy are blessed in spite of the great circumstances of life. All those who follow My Path of Mercy at three in the afternoon will be purified by the Light of My Heart and in the hour of great tribulations they will not feel any fear, but they will feel peace, joy, grace for being a worthy and praised child of God.

All those who pray the Chaplet to the Divine Mercy with Me will be highly contemplated by My Compassionate Heart, including their families, and no one will lose the hope of entirely surrendering themselves to My Eternal Kingdom.

Those who pray the Chaplet to the Divine Mercy will help Me to intercede before the Universe for this humanity and no soul will lose the opportunity of encountering Me at some moment of their life. My Mercy is infinite; it penetrates the deepest spaces of hearts and heals the spiritual wounds that seem irreversible for the consciousnesses.

All those who unite to Me at three in the afternoon receive the merit of absolute redemption and at least the opportunity of knowing My Celestial Kingdom in the Universe. No one will remain without knowing who I Am, because whenever the soul feels My Redeeming Love, its little heart is healed.

At three in the afternoon, God contemplates, through His Son, the pleas of all the apostles and flocks that by Grace, united as one, relieve the weight of the Law upon the world. My Mercy awakens Graces and Forgiveness never before understood by humanity.

Those who have faith in My Promise will not repent because I bring to you the Good News that will liberate you from yourselves and thus you will be with Me for all eternity.

I aspire, as a Master, that you can be My living Cells of love and redemption for all those who die, day by day, without knowing the greatness of My Love.

I need you, even when you are in error. I forgive you and, above all, I love you deeply.

Go forward, My companions!

Under the Mercy of God, be blessed.

Thank you for interiorizing My Holy Words with your hearts!

Christ Jesus, your Savior.

Friar Elías del Sagrado Corazón: At the end of the daily message, Christ Jesus transmitted to us what He called "The Devotional to the Divine Mercy", an exercise of prayer and devotion to the Divine Mercy of Jesus. This devotional is made up of two prayers so that we may pray them every day.

The first prayer is a repairing prayer to be recited in the name of the most inveterate sinners and for humanity so that it may achieve Mercy.

Reparative prayer to the Divine Mercy

Water, Blood, Life and Redemption,
that flowed out from the Blessed wounded Heart of Jesus,
have pity, Mercy and compassion on all of us.

Amen.

Our Lord Christ Jesus then transmitted to us the complement to the first prayer, which He called "**Restorative Prayer to the Creator Father**" which must be prayed after the Restorative Prayer to the Divine Mercy.

Restorative Prayer to the Creator Father

Celestial Father,
Supreme Unity,
Supreme Consciousness,
Supreme Love,
have compassion on all of us
and on all of humanity.

Amen.
