DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Dear children of My Father:

Today the three Most Sacred Hearts make themselves present for the first time before your essences to share in a special way all the Blessed Graces that day by day are directed towards you.

Companions: the venerable love of the three Sacred Hearts will be the spiritual protection for your lives and this will be possible because the three Blessed Hearts have offered themselves to make descend the Holiest Trinity through themselves.

Dears, in this way you will understand that the spiritual merits achieved by Jesus Christ, the Virgin Mary and the Most Chaste Saint Joseph have allowed the close approach of the Grace of God upon the world and humanity.

Allow for the three humble and wise Hearts to be, in this time, the principal archetype for the life of the spirit and the life in the families. We want in reverence and love that all of you, the so called pilgrims, may awaken in consciousness to the reality that you are living.

Count on the company of other celestial consciousnesses that in the same way as the three Sacred Hearts are directing their eyes towards the need of the world.

My dears, today I leave to your hearts the important archetype of the three Hearts because those humans who may adore them and reverence them with devotion will have as Grace:

A happy path of return to Heaven under the protection of the Immaculate Heart of Mary.

An austere and dignified life under the company of the Most Chaste Heart of Saint Joseph.

A reencounter with the Universal Life from the victorious return of Christ.

And more virtues and gifts will be awakened in those who in confidence may open themselves to participate spiritually of the Sacred Family. This mystery of the Sacred Family wants to approach itself to all of humanity, that which in its majority is distancing itself from the true law of the Lord.

Jesus, in His daily apparitions intends to gestate a noble and pure heart in all those that in love live the preparatory messages.

The Blessed Virgin Mary will remind you about the commitment of returning to the Sacred Heart of Jesus, as a unique opportunity of repairing the life of the spirit by means of the power of the Christic energy.

The Most Chaste Heart of Saint Joseph will remind you in this cycle of the importance of charity and the service towards those most close in your lives and He will bring you to reintegrate yourself

to the universal and spiritual archetype of the Sacred Family.

The merciful presence of the three Hearts has the aim of uniting them as essences and as members of the Sacred Celestial Family. It will be enough that, opening the heart, the steps in faith may be able to be taken.

May the veneration to the three Sacred Hearts represent the archetype of living for the new humanity because humanity needs to change before God one more time.

Under the Love of the Father, be blessed.

Thank you for interiorizing My words with the heart!

Christ Jesus, the Sacred Heart.
