DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The souls that serve Me more and venerate more My Sacred Heart will be those which, in the service to the world, will feel the most the sudden change of the times from the universe towards the Earth.

The souls which pray with Me more were the ones chosen to endure the ardent time of changes because the prayer of all of them will aid the need of those who do not pray and who have easily forgotten Me.

In all of these abnegated instruments I will raise again My Temple of redemption and no one will remain without the opportunity of recognizing that, without My Father, nothing will be able to be done.

For this I return to the world in Glory to pour My Rays of love upon those who have for many years distanced themselves from the light of My Merciful Heart. I come to awaken those who are sleeping under the rain of illusions and I will show you the truth that the universe has shown Me from the origin of My Holy Resurrection.

No one will have any doubt that the Messiah will return to the Earth, fulfilling His original Promise made one time in the past.

For this to the ones who are in Me the most and who intend to follow My Steps, I ask: Persevere! Persevere! Persevere! And let My renovating Rays liberate from the past your essences so that the task of the apostles of the end of the times may be able to be accomplished in Glory to My Name.

If you unite yourselves day by day through Me I will show you the path because at this time and in this cycle I will not allow for any soul to be elevated without first getting to know My Redeeming Love.

Under the Love of the Father, be blessed of heart.

Thank you for guarding My words in the heart!

Who blesses you and redeems you,

Christ Jesus.
