DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF SANTA FE CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Each prayer pronounced for the nations of the world is a drop of My Grace that descends from Heaven as morning rain.

Each sincere heart that pronounces the Holy Rosary for peace in the world is a Mirror of reflecting the Mercy of God in humanity.

I teach you, through the power of prayer, to know its mysteries, which are unveiled when the heart truly prays, allowing the sacred Divine Laws to reconcile the errors of humanity and the deviations of the nations of the world.

Each moment of prayer offered, dear children, allows the whole world to be restored; above all, the souls most lost, which receive the Grace of finding God again.

This is why each meeting of prayer for peace in the nations means an opportunity that humanity may be alleviated of its faults committed, so that love and peace may reign.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
