DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I Am the Life for the sad and lonely hearts because I Am for each being the joy of living and sharing in God.

I Am the Divine Fire of the Holy Spirit that illuminates you. I Am the straight Path towards God.

Today I ask you to be as I Am so that the other children, through your example, may imitate the path of surrender and of absolute trust in God. My Father waits for all in Heaven but it is necessary to live the only Law, the Law of the love and of the wise justice from Heaven because the moment has come to simply correct your lives so that all of My Companions may be partakers in My Return.

Dears, I am with you all of the time that you may allow Me to be, as I not only see imperfections but I also see your love towards Me. Radiate the feeling of brotherhood amongst yourselves so that all of the souls may learn to live in God in the best way, without suffering or pain.

For this I make use of simple instruments because I expect them to be transmitters of My Mercy for these times. I will always encounter My Flame ignited in your hearts whenever you may simply say yes to Me and you may say: "**Come Master of Love**".

I want to pour upon you My Graces, My Redeemer Love so that your beings may empty themselves and may be filled by the Light of My Eternal Spirit.

I want from My Soldiers a true shield of love, peace and brotherhood. The world needs the conscious help of all of the praying souls.

Under the Mercy of God, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
