MESSAGE OF THE MOST HOLY VIRGIN MARY, TRANSMITTED TO MOTHER SHIMANI DURING THE FLIGHT FROM SAO PAULO, BRAZIL TO MONTEVIDEO, URUGUAY

My beloved children:

Today you return to your home of Aurora, the Celestial Aurora, and I ask you to submerge into My protection and My healing, that which I bring to humanity.

I hope that in these next days, those in which I will arrive for My children from Uruguay and above all, from Montevideo, new souls may be ignited and may find the path towards the Mother of the Divine Conception of the Trinity, that is also the path towards My Son Jesus.

I Am amongst you, accompanying you, protecting and placing you within the Heart of the Blessed Father who observes how your essences and beings mature in the task that He has entrusted to you.

Many internal and external changes are approaching, changes that will be necessary to carry out the task that in this time, as Mother of all humanity, I am realizing.

Beloved children, eternally count on Me to accompany and guide you during these changes, and do not fear because your souls know what is to come and they are anxious for these changes to arrive.

Trust in My Maternal Love and in this commitment that you have made with the Creator since always, a commitment that was waiting for this time to be concretized.

Always remember that here I am, and as Mother of Mercy I want to shelter you in My arms to give you My healing and My forgiveness.

Go ahead, My children, and time will show you that all was written in the Book of the Universe.

My Peace is in you and My Love is within your hearts.

I love you and I bless you in the name of the Sacred Spirit of Christ.

Thank you for being today with Me.

Mary, Mother of the Divine Conception of the Trinity.
