MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE MARIAN CENTER OF AURORA TO MOTHER SHIMANI

My beloved children:

Today, when you are in the Home of Aurora again, I want you to rest in Me and to restore your strength, so that after this repose of your bodies you can go ahead firmly in the task that you share with Me and with My son, the Saviour of souls.

I want you to deepen the encounters with Me through the prayer of the heart and that you devote a specific time in the morning, and another at night, to share with Me the Mysteries of the Rosary.

I want that the in the morning we pray together the Joyful and the Luminous Mysteries and, at night, before the recollection of your bodies we unite ourselves in the Painful and the Glorious Mysteries. In this way I will be able to reveal to you some mysteries, the ones this humanity should know before the great changes that are approaching.

With this task that we will realize, at first without a date of completion, we will prepare for the new cycle that will come. When the public and wider task of diffusion arrives again, new horizons will have unfolded in your consciousnesses and you will have another understanding about this task that unites you to the Divine Messengers.

Prepare your consciousnesses to be before this task, awake and available, since God the Father has given His Permission for you to deepen into the Mystery of Creation, so that all His Creatures mature and live their own relation with the Divinity, in another way.

Be attentive, because in this way, this effort that we will start will have the outcome foreseen by Our Father.

Rest within My Immaculate Heart, that there you will recover all your strength.

We will meet in the Divine Prayer of the Heart.

Thank you for answering My call for instruction and peace.

Mary, Mother of the Divine Conception of Trinity.
