MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN CÉU AZUL NUCLEUS, BELO HORIZONTE, MINAS GERAIS, BRAZIL TO MOTHER SHIMANI

Today I have brought your soul here, to My Garden of Roses in Heaven to tell you dear son, dear daughter, that I infinitely thank you, day by day, for your prayer.

With many of these prayers I have formed My garden, above all, with those that burn in sincere devotion and that are impelled by purity of intention.

With each one of your prayers I have been able to rescue souls from purgatory, I have received permission from Our Father to be able to go on visiting you for some more time on Earth, while we prepare the return of My Son, that each day is nearer.

With this devotion that My children learn, day by day, and that they send to My Immaculate Heart, I have been able to save many souls that were imprisoned by sin and by ignorance.

I have been able, day by day, dear children, through your sincere prayers, to avoid that some children be subjected to violence, to hunger and to cold.

I have also been able, My beloved children, to bring comfort to many consciousnesses that are alone, abandoned, desperate, because through your sincere prayer a door is opened and My angels can enter and rescue these souls from dark places and bring them peace.

And above all, My children, through your perpetual and vigilant prayer some planetary situations of serious conflicts have found balance and harmony.

For this I ask you to always go on praying, because the more you do it, the more I will be able to be with you and more balance, peace and comfort will I be able to give to this humanity.

So that the Woman dressed of the Sun, from the prophecies of John the apostle, does not enter the desert yet, you must pray and pray, in this way I will be able to be present with you for some more time.

I love you and I bless you always.

In union with the Sacred Heart of Christ Jesus, the Redeemer, praised be this moment of union with all My children.

Thank you for answering My call for peace.

Mary, Mother of the Divine Conception of the Trinity.
