

Prayer to Live in the Peace of God

Prayer transmitted by the Most Chaste Saint Joseph in the daily message of [September 2, 2018](#)

He said to us:

"When you see your heart disturbed and your consciousness entering the abyss of human incomprehension, which begins small and rapidly becomes big, pray to God and ask":

*Lord, place my heart into Your Source of Peace.
Make me feel a little bit of Your Peace within me.
I, who am Your Fruit, a living part of Your Creation,
Your cell, seeking the renewal and overcoming in Your Love.
Help me to be in You, so that, in You, I may overcome these times.
Bring Your Peace to My Heart, and, through me, radiate Your Peace to the world.*

Amen.

Thus, simply and sincerely, speak to God and create a bond of Love with the Heart of the Father so that, without even knowing it, you may finally abandon what you are and allow your Creator to transform you and convert you into an instrument of His in this world."
