DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Seek inside of yourself, child, the revelation of the unity with God. Love with all of your being and serve so that, not only your heart, but also your body learns to love.

Overcome yourself and go to meet the needs so that your cells awaken within you the true potential that they keep and so that you begin to become a human being as the Father thought, and not as you know of it.

Pray with your mind, pray with your heart, pray with your life, not only clamoring for peace, but being peace for the world.

Seek the Truth in knowledge, seek the Truth in wisdom, but be the Truth; awakening in you the gift of Love manifested, because, if you love, you will understand all things.

To Love is not just being full of that which you like, which brings you joy, which keeps you in peace. To Love is to know how to obey a will superior to yours; to love is to know how to renounce, for a purpose greater than yours; to love is to know how to delay your own steps to give passage to those who need to arrive before you; to love is to be in God and to let Him be in you, it does not matter how, where or when.

May your time and your life be the time and the life of God.

Love, for you have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
