**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS**

May no one get tired of seeking Me. May for this time My Soldier of light keep ignited the light of his or her essence.

May, united to My Mercy, you take the necessary steps to live in the redemption that I will give you.

May all of My ones be able to take the thirst away from Me through the merciful love of their prayers because in this way I will guide you towards the beginning so that afterwards you may encounter the end of every mission that I entrust to you.

It is necessary to be decided to be with Me. My Heart blossoms with joy and love when a soul decides to follow Me and to imitate in peace My Path of the Cross. If you assume the cross that I give to you, you will be able to liberate your cross, the old cross that you hold from the past and that makes difficult to you to carry the cross of redemption for humanity.

Guide your hearts towards Mine because thus My Light will illuminate you, it will liberate you from stains and you will be crystalline hearts that will serve all for love of God.

Time merits a fast maturing because the armies of Christ must be ready for the coming of the Son of God with flags of peace held High and the heart open to shelter those who have fallen and those who have believed to be in Me but that in truth have been in themselves for self-love. May compassion be endless in you for this moment.

Under the Love of the Father, be blessed.

Thank you for following My words with the heart!

Christ Jesus.
