DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN BALNEARIO EL CONDOR, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear warriors of Christ, lovers of prayer and of service:

Today I come from Heaven especially to make a request for you, so that Brazil does not lose peace nor justice, I deeply implore to you, that starting tomorrow, October 25, and during nine days, you may offer to My Maternal Heart one novena of the Holy Rosary, which will be transmitted by means of the channel of the prayers for Peace in the Nations, in order for the Brazilian people to make a decision, with discernment and wisdom, so that the patronage of Our Lady of Aparecida can be preserved throughout the times.

My anguish for what happens today in Brazil is great because, as Mother of Brazil and of all of its people, I see how the nation distances from the Grace of God in an unexpected way.

For this reason, children, I need that all the Brazilians, who have love for Our Lady, may dedicate, within these coming nine days, a Mystery of the Rosary for the Mother of the Most High to have the joy of interceding for a people that is deeply loved by Me.

Even more, if in the Marian Centers, in the groups of prayer, in the cities and in the villages you gather to pray to My Maternal and Immaculate Heart during the coming nine days, I will be able to embrace a greater number of souls and hearts to remove them from a great spiritual and material deviation that Brazil is creating for its destiny.

I wish for My cry to be relieved and to not be a cry for a Brazil that will lose its spiritual and internal senses, but instead that My cry be of joy for the happiness that Brazil has generated to Me throughout the years, with your praise and love for the Lady of Aparecida.

Brazil cannot lose its values nor the gifts that faith has always provided for it.

I pray in these days for a Brazil that I love, which must learn to live justice, equality and good, because in this Brazilian land exists precious souls, lives that are capable of manifesting the New Eden in South America.

I wish, My children, that during these nine days of transmissions of the Holy Rosary for the good and justice in Brazil, My children dedicate themselves to this exercise of prayer as something that is a priority and not secondary, being aware that through prayer the angels of God will be able to intercede as much as is allowed, so that the destiny of your people may not be interfered with by any spiritual consciousness contrary to the Divine Will.

With Venezuela and Chile, it is already enough for Me. My Heart must endure what Venezuela is living due the actions of humanity, and Chile, it is already more than enough, for the hidden perversion, now known, that the Church of My Son has lived, in which hundreds of lives were wounded and outraged by supposed representatives of Christ.

Oh, what agony and what shame does My Heart feel for the Church of Chile!

Who will relieve the Heart of the Mother of God?

I call you, children, to be responsible for your coming destiny, so that, placing your consciousness on the path of prayer, you may be protected from everything that will be seen and known in these difficult times.

With all the gratitude of My Soul, I will wait for all of your voices to be united in this current of prayer during these nine days, for Brazil not to lose the most beautiful destiny that it has.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
