WEEKLY MESSAGE RECEIVED IN THE CITY OF RECIFE, PERNAMBUCO, BRAZIL, TRANSMITTED BY THE BLESSED VIRGIN MARY TO MOTHER SHIMANI

Dear children:

I have been hearing your pleas and I have been feeling that your hearts need to be more united to Me so that you may be able to understand, dear children, that you are able to leave all of the pain and suffering of your hearts at My feet.

So that your souls may find relief and consolation they must be closer to Me as I am your Mother, your Redeemer, the One who understands you, who does not judge you, who shelters you in Her Immaculate Heart no matter how you are, and even if you have failed God.

So that I may be able to relieve the heart of humanity you, My dears, must trust in My Love that seeks to realize wonders of peace and consolation in your lives.

Open the heart, My children, so that I may be able to deposit in them the Graces that I bring from Heaven. Do not think that you do not deserve them because our Beloved Father, of Love and of Forgiveness, waits that your consciousnesses in humility let themselves be loved.

I will be the one who will wash your wounds with My Love, I will heal your sufferings with My Hands of Mother, I will caress your beloved presence with My hymn of love and if you pay attention, you will hear Me in your inner world praying for your souls.

My little and beloved children:

In this time so difficult for all humanity, My presence opens the path that you must go through to enter into the Heart of Light of My Son Christ Jesus.

He arrives again to this world to bring the definitive freedom for this race which must break the chains that unite it with evil, obscurity and with pain so that nothing may ever again separate you from God.

Let Me get into your heart to heal this that separates you from the Peace, from the Love of God and again live the celestial bliss in your inner world that is guarded in the Kingdom of Heavens for each one.

My beloved children:

I Am your Mother of Heaven, the one who forgives all, who loves all, who understands all. Come to Me, rest in My arms and feel how all may be, through the sincere love of the heart.

Do not fear for anything. Call me and there I will be. Search for Me through the sincere prayer done with the heart and you will find Me.

I leave My maternal blessings for all of those who have come on this day to be with Me.

Thank you for listening to My call and Thank You for all that you give Me.

Mary, Queen of Peace and of your lives.
