SPECIAL MESSAGE OF MARY, QUEEN OF PEACE, RECEIVED IN THE CITY OF MONTEVIDEO, URUGUAY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My dear children:

May the Peace of My Son reign in your hearts forever, and in this Peace may you, as a group, be able to take the steps towards the Divine Unity of the purpose of the Creator.

On this Saturday of Grace and Pity, as a Merciful Mother, I address each one of you to ask for and reveal to you the important task that, as servers of Christ, you must manifest for this nation of Uruguay..

Dear children, the Blessed Mother of Heaven, Mary, Queen of Peace, sends you to an important mission as one group of souls, a mission that will be guided by the Immaculate Heart and by the Most Chaste Heart of Saint Joseph.

This mission will be throughout Uruguay, with the aim of:

Creating new Marian groups of prayer in each of the nineteen departments of Uruguay.

Going on pilgrimage through the nineteen departments of Uruguay to gather new praying souls, through small prayer meetings.

Bringing, two by two, the diffusion of the message of Christ and the messages of the Virgin Mary to the most deprived families of spiritual instruction in Montevideo.

Being diffusers of the Work of the Mother of the Divine Conception of the Trinity, which was originally born at the Marian Center of Aurora.

Being transmitters of ecumenism through prayer and peace among yourselves and among all groups of prayer.

Loving the purpose and marian mission entrusted by the Mother of God.

Assisting all the souls that may present themselves in your lives and help them through prayer and charity.

Awakening once again in Uruguay the devotion to "Our Lady of the Thirty-three".

Fraternizing all consciousnesses through meetings of prayer.

Dear children, this mission will be developed in the spirit of unity and of love to the Sacred Heart of Jesus, in collaboration with His redemptive work. The Most Chaste Heart of Saint Joseph, the

Father of holy missions, will be your pilgrim companion for this important task.

If Uruguay manages to ignite itself again through the prayer of nineteen new Marian groups, the Divine Mercy will act upon each one of the consciousnesses.

The Mother of the Divine Conception of the Trinity will be your guardian and protector of the paths that you will go through. This mission that I entrust to you for these times has the aim of spiritually helping Uruguay so that it may take the correct steps under the presence of the Father. Uruguay will thus be a renewed heart that will be able to collaborate with the preparatory task for the return of My Son.

My children, for the first time I summon such a wide mission, for this reason you will count on the loving support of the Missionaries of Fraternity so that all may be developed under the spirit of harmony and order.

Uruguay must awaken the Consciousness and for this to happen the honest collaboration of all Uruguayans is fundamental.

As Jesus sent out His disciples two by two to bring the Good News, today My Immaculate Heart sends you out so that you may awaken to the call those who are still sleeping in the world.

In this way, dear children, as servers of Christ you will help to give importance to the task that the Marian Center of Aurora is in charge of. And once all the nineteen Marian Groups are manifested you will gather monthly at the Marian Center of Aurora to begin from this moment on a new cycle for the Light-Network in Uruguay.

Dear children, remember that this mission that I send for you to realize is a celestial mission that will awaken maturity for your consciousnesses, learning experiences for your hearts and growth for your spirits. As Mother I am calling and seeing how many soldiers I will work with in Uruguay so that in this way some more time of Mercy and Peace may be established here in this nation.

I thank you for responding to this important mission of Peace and Conversion for Uruguay!

Who blesses you now and before the pilgrimage,

Mary, Mother and Queen of Peace.
