WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY LUCÍA DE JESÚS

May the Purity that springs from the Fount of the Heart of God inundate souls and renew them.

May the Purity that springs from the Heart of God permeate beings and awaken them.

May the Purity that springs from the Heart of God fill hearts and reveal Peace to them, reveal Love to them, and reveal Grace to them.

May the Purity that springs from the Heart of God reach all souls and lead them to the Truth, hidden until today, of the perfect union between their Celestial Mother and God.

May Purity, children, dissolve ignorance from the human consciousness, and above all, the pride that prevents it from reaching Divine Mysteries for believing that in its smallness all knowledge, all wisdom, and all truth can be kept.

May Purity open your eyes and cleanse them so that they may see the world and life always as if for the first time, like someone who is facing something that is completely unknown to them.

May Purity allow you to see everything as if for the first time and may the interest for that which is new open the doors to the Mysteries of God for you

Blessed is the heart that contemplating its Divine and Celestial Mother, discovers Divine Motherhood in Her.

Contemplate the Son of God, but also contemplate the First Tabernacle that held Him, and discover that as it is on Earth, so it is in Heaven.

Know and recognize the Greatness of your Divine Mother every day, with the simple gratitude of being before Her Immaculate Heart, for Her silence talks greatly to the heart that knows how to listen beyond words.

Contemplate the first and eternal Tabernacle of Creation, which is the Womb and the Heart of Mary, that held within Herself not only the Son of God, but also everything that was created by the Father.

May the Purity that springs from the Heart of God reveal to you this and many other mysteries that are in Heaven as on Earth.

Be eternally grateful, and in simple gratitude, you will see the Heavens open before your hearts for revelations that humanity must know and that are not to be found in the Sacred Books.

This is the time of the new revelations.

May hearts open to the Truth and may the Purity that springs from the Heart of God grant you the Grace of Awakening.

Your Father and Friend,

The Most Chaste Saint Joseph
